

Little Peppe & Friends

www.littlepeppe.com - animals@littlepeppe.com

Things we can do at home to help the environment

1. Compost our garden waste.
2. Put kitchen waste in the worm farm.
3. Don't buy useless packaging.
4. Recycle everything we can.
5. Use human energy.
6. Turn stuff off.
7. Shop carefully.
8. Save water!!!

Thank, Rebek
